Chloe Wheeler has been an asset to T&W since her 1<sup>st</sup> day in summer 2020. Recruited for expertise in graphic artistry, illustrative photography and digital mediums, Chloe delivers project requirements with precision and quality of specification at the center of each work piece.

Chloe brings advanced innovation to our pioneering team of Software Developers, being the 1<sup>st</sup> digital designer to initiate and shape this two-fold role she now holds. Liaising between Business Development, HR, and Engineering, Chloe executes quality products, ensuring collegial and customer satisfaction with each deliverable.

It is my personal privilege to endorse Chloe, who has been and will be, an invaluable resource to whomever receives her into their organization. Please contact me at 256-431-9885 or [kylanlaxson@yahoo.com](mailto:kylanlaxson@yahoo.com) if I can help in any way.

Warm Regards,

Kylan W. Laxson, PMP  
Director of Program Management
